Our beloved Founder, Baba-e-Taleem  
**Late Dr. MUMTAZ AHMED KHAN SAB**

### **Father of Al-Ameen Movement - Late Dr. Mumtaz Ahmed Khan”**

On 6th September, 1935, 'Allah willed' that a soul should be born in the coastal district of Tirchinapally to light the torch of education in bengaluru and spread its radiance across the country. Indeed, 'it happened' through the birth of Mumtaz Ahmed Khan, who, lovingly came to be known as Doctor Sab to occupy his due place in the hearts of Bangaloreans later became Baba-e-Taleem to be reckoned with many luminaries in the realm of education. He envisaged education as the chief tool of character building vis-a-vsa nation building, which Almighty Allah fructified through AL-AMEEEN EDUCATIONAL MOVEMENT. He is the metaphor of how the thought of a single person can get transformed into a big envious educational movement, the people loved to be associated with the dare to take initiative, determination to realize the dream, efficiency to persuade people to perform, and cosmopolitan outlook to provide the fruits to the society puts him on the pedestal of leadership. His success story as the precursor of metaphoric AL-AMEEN EDUCATIONAL MOVEMENT will be narrated for and by the generations to come.

**Mr. Zubair Anwar Sait**  
Hon. Secretary

**Mr. Umar Ismail Khan**  
Hon'ble Chairman

**Dr. P SARTAJ KHAN**  
PRINCIPAL,  
AL-AMEEN ARTS, SCIENCE & COMMERCE COLLEGE

# WELCOME TO AL-AMEEN ARTS, SCIENCE AND COMMERCE COLLEGE

## About Us

Established in 1968, Al-Ameen Arts, Science, and Commerce College is the flagship institution of the Al-Ameen Movement. Located near Lalbagh Main Gate on Hosur Road, Bangalore, our college is affiliated with Bengaluru City University and has been reaccredited by NAAC. Over the decades, we have earned a reputation for excellence in academics and research, becoming a premier institution recognized across India.

## Vision

Inspired by the Quranic verse, "**RABBI ZIDDNI ILMA**" (Lord, give unto me more knowledge), our vision is to educate, emancipate and empower the underprivileged sections of the society, with special consideration for the minority community.

## Mission

Our mission is to provide quality education that fosters intellectual growth, ethical values, and social responsibility among students, preparing them to contribute positively to society.

## Courses Offered

We offer a diverse range of undergraduate and postgraduate programs:

### Undergraduate Courses:

#### BACHELOR OF ARTS (B.A.)

(HES) History, Economics Sociology,

(JPE) Journalism, Political Science and Optional English

#### BACHELOR OF COMMERCE

(B.Com.) – As per the university syllabus.

#### BACHELOR OF SCIENCE (B.SC.)

(CMZ) Chemistry, Microbiology and Zoology,

(CBZ) Chemistry, Botany and Zoology

(PMCS) Physics, Mathematics and Computer Science

(PCM) Physics, Chemistry and Mathematics

### POSTGRADUATE COURSES:

- Master of Arts in English
- Master of Commerce
- Master of Science in Microbiology

## OUR MERITS:

### SKILL DEVELOPMENT COURSES

Enhance your career readiness with our Skill Development Courses designed to match industry demands. Choose from in-demand fields like Digital Marketing, Data Analytics, Cyber Security, and more. Gain practical knowledge, hands-on experience, and boost your employability.

### INTERNSHIP

Our students gain real-world experience through internships at renowned institutes such as Finverse, Khan & Associates, N.Z. Associates, Kempegowda Institute of Medical Sciences, Jayadeva Institute of Cardiology, Aspiron and more. These opportunities offer hands-on learning across diverse fields. Internships help bridge academic knowledge with professional skills for future success.

### MoUs

The college has signed MoUs with esteemed institutions like Siva Academy, Al-Ameen College of Pharmacy, Durga, AMP, Bizzlabs, and more. These collaborations enhance academic exchange, training, and research opportunities. They provide students with wider exposure and industry- relevant learning experiences.

### FIELD VISITS

Our students participate in enriching field visits to renowned institutions and industries such as Karnataka Milk Federation, iD Fresh, university departments, libraries, museums, and High Court sessions. These visits offer hands-on learning beyond the classroom, fostering practical understanding of academic concepts. Exposure to real-world environments enhances critical thinking and career readiness.

## PLACEMENTS

Our dedicated Placement Cell actively supports students in building successful careers through resume preparation, interview training, and personality development sessions. The college organizes campus interviews and annual job fairs, connecting students with top recruiters. Continuous guidance ensures students are well-prepared to meet industry expectations and secure promising job opportunities.

## LEADERSHIP PROGRAMS

The college offers dynamic Leadership Programs aimed at developing confident, responsible and inspiring leaders. Through students' council, personality development sessions, communication skills training, and leadership workshops, students enhance their personal and professional growth. These programs prepare students to lead effectively in diverse environments.

## ICT BASED TEACHING

The college embraces ICT-based teaching to enhance the learning experience through smart board, LCD projectors, digital resources, and interactive tools. Technology-integrated instruction promotes better understanding and engagement. This modern approach equips students with digital skills essential for today's academic and professional world.

## INFRASTRUCTURE AND FACILITIES

Our campus spans over 2.86 acres and is equipped with state-of-the-art facilities to support the academic activities like:

- Well-equipped classrooms with ICT-enabled facilities
- Modern laboratories for various science disciplines
- Well stacked library with a vast collection of books, journals, and e-resources with e-lib facility.
- Language labs
- Exclusive computer labs for skill development courses etc.

## SPORTS:

We are champions in athletics and sports at inter-university & state levels.

We have facilities indoor and outdoor sports including throwball, volleyball, badminton, kabaddi student centric cultural activities.

## CO-CURRICULAR, CULTURAL AND LITERARY ACTIVITIES LIKE:

- Cultural activities like: Face painting, Mehendi, singing, skit, dancing, standup comedy, madads, treasurer hunt, photography.
- Literary activities: Podcasts, quiz, recitations and debate.
- We believe in the all-round development of our students and offer various co-curricular activities:

## **NATIONAL SERVICE SCHEME (NSS):**

Engages students in community service, fostering social responsibility by adopting a school, village, literary and financial help to the task group.

## **NATIONAL CADET CORPS (NCC):**

Provides military training to inculcate discipline and patriotism.

## **FACULTY DEVELOPMENT:**

We foster innovative teaching and learning methods by offering professional development programs for faculty and students through technology integration and AI powered presentations, with an aim to strengthen the educators for a better tomorrow.
