Our beloved Founder, Baba-e-Taleem
Late Dr. MUMTAZ AHMED KHAN SAB.

Father of Al-Ameen Movement - Late Dr. Mumtaz Ahmed Khan ;

On 6th September, 1935, 'Allah willed' that a soul should be born in the coastal district of Tiruchinapally to light the torch of education in Bangalore and spread its radiance across the country. Indeed, 'it happened' through the birth of Mumtaz Ahmed Khan, who, lovingly came to be known as Doctor Sab to occupy his due place in the hearts of Bangaloreans later to become Baba-E-Taleem to be reckoned with many luminaries in the realm of education. He envisaged education as the chief tool of character building vis-à-vis nation building, which Almighty Allah fructified through AL-AMEEN EDUCATIONAL MOVEMENT. He is the metaphor of how the thought of a single person can get transformed into a big envious educational movement, the people loved to be associated with. The dare to take initiative, determination to realize the dream, efficiency to persuade people to perform, and cosmopolitan outlook to provide the fruits to the society puts him on the pedestal of leadership. His success story as the precursor of metaphoric AL-AMEEN EDUCATIONAL MOVEMENT will be narrated for and by the generations to come.

VISION:

Al-Ameen draws its inspiration from the Quranic Verse—"Rabbi Zidni Ilma" translated into English as "LORD GIVE UNTO ME MORE KNOWLEDGE".

The college envisages to tirelessly rendering service to the humankind by educating the masses and makes them ethically, educationally self-reliant to serve the society.

MISSION:

- Provide hands on experience to the students through regular academics.
- Make the students self-reliant by providing vocational training.
- Build up strong ethical and educational background among the students and prepare them to be useful to the humankind.
- Steadily endeavor to explore new vistas of knowledge.
- Develop research bent of mind and scientific temperament among the students.

Inspired Teaching and Learning

The faculty is distinguished by its professionalism, research bent of mind and synergic zeal to achieve the holistic growth of the students in the academic and co-academic spheres. The Information Communication Technology (ICT) facilities are put to the best use of accomplishing the higher learning quotient of the students.

Professional Mentoring

The mentor-mentee exercise is our commitment to groom our students' personality to face any challenges in the real life including employability. On the academic front, the teachers adopt a very empathic approach to understand their needs and address their issues accordingly. The mentor-mentee relationship is aimed at molding them as global citizens.

Career Counselling

Employment of students is given highest priority in our institution. The Career Guidance and Placement Cell organises regular training programs to improve the employability skills of the students. Seminars & Training are organised with regard to personality development and entrepreneurial skills. The Career Guidance and Placement Cell regularly display the advertisements regarding recruitment opportunities. Campus interviews are arranged by Placement Cell in order to facilitate placements for students. Many corporate bodies like:- Eureka Forbes, Watermelon HR solution, First Source, Finn Point, M-Phasis, Cognizant, Tech-Mahindra etc have recruited our Graduates and Post Graduates. A good number of sports students have been recruited in the Police Department, Railways, Banks and other public sectors undertakings, thanks to the initiative of the Placement Cell. Our tie-ups with the industry and NGOs help in conducting several placement drives periodically.

Library Resources

Library has 36394 print books, 30 Print journals, Magazines, News papers, and subscribed NLIST-INFLIBNET which enables to access 1,64,300+ eBooks, 6000+ journals and 6,00,000 eBooks through National Digital Library (NDL). Library hours are allotted in the regular time table, wherein the students attend to assignment, project and innovative academic tasks assigned to them.

AL-AMEEN ARTS, SCIENCE AND COMMERCE DEGREE COLLEGE , BENGALURU

NCC

The cadets of our college 2 Coy contingent are trained in the military and personality development subjects to inculcate leadership qualities and prepare them to join the armed forces. Our college unit shoulders the social responsibility in times of need and emergency. We conduct a large number of social awareness programmes related to literacy, AIDS, environment, secularism, patriotism, etc. **Our cadet Nazira Bano attended the Republic Day parade held at Delhi.**

Sports

Al-Ameen has carved out big space in the field of sports by being the **University Champions for 38 consecutive years**. Our Students have represented India in international tournaments. Numerous players have represented the University in the State and National events. **Every Year 40 to 50 Students represent Bengaluru City.**

NSS

The vibrant NSS wing has motivated volunteers with remarkable leadership qualities, broad understanding of the ethos and the cultural diversity of our nation. They participate in a host of adventure activities organised by the institution, university and the government. The charity work to the underprivileged and helping the civic establishments of the government has won many accolades for the unit and the college.

Al-Ameen Arts, Science & Commerce College

Near Lal Bagh Main Gate, Hosur Road,
Bengaluru - 560027
