Mr. Omar Farooq

HOD,

Department of Microbiology

Al-Ameen Arts Science & Commerce College

E-mail: omarfarooq75@gmail.com

EDUCATIONAL QUALIFICATION:

B.Sc. – Microbiology – 1996

Bangalore University, Al-Ameen College, Bangalore.

M.Sc. – Microbiology – 1998

Bangalore University, Al-Ameen College, Bangalore.

M.Phil. Microbiology – 2007

Periyar University, Salem.

TEACHING EXPERIENCE:

- Working as Lecturer for Microbiology & Biotechnology in Al-Ameen Arts, Science & Commerce College, Bangalore, from past 25 years.
- Worked as guest faculty for Biotechnology in P.G. Department of Microbiology & Biotechnology, Al-Ameen Arts, Science & Commerce College, Bangalore, for two year.

PAPER PRESENTATIONS:

1. “*Phytochemical evaluation and antimicrobial analysis of Trachyspermum ammi (ajwain) Nigella sativa (kalonji), and Azadirachta indica (neem) - A feasibility study*” **Omar Farooq**, Ayesha Siddiqua, Qamaruddin. M and Sultan Saifulla Khan. Presented at DST Sponsored 2nd National Conference National Conference on Emerging Trends and New Challenges in Biotechnology - A Multidisciplinary Approach, MGR College, Periyar University, Tamil Nadu. 19th-20th Feb 2014
2. “*Biochemical Characterisation of Phospho Bacterium Isolated from Rhizosphere of Costus Sp. with special reference to Bacillus Species*” Sabiha Sultana M, **Omar Farooq**, C. Maya published in IJPSR (2010), Vol. 1, Issue 9 (Suppl.) - ISSN: 0975-8232
3. “*Effect of plant growth hormones in root regeneration in Nigella sativa*” Sabiha Sultana M, **Omar Farooq**, Nazia N. Presented at Holicon – 2008 World Congress on Holistic Medicine, IHMA, Bangalore. 12th-14th September 2008
4. “*Comparative Study of Alkaloids in Natural Plant parts and their respective Calli in Nigella sativa*” Sabiha Sultana M, **Omar Farooq**, Rukhiya Sultana. Presented at Holicon – 2008 World Congress on Holistic Medicine, IHMA, Bangalore. 12th-14th September 2008

5. “*Microbial Characterization of Hotel Waste before and after Composting*” Victoria Peter, **Omar Farooq**, Abhishek Sonu, Arshiya Subhana.G.A, Zeeshan Mushtaq. Presented at 24th National Conference of the ISCAP, Kuvempu University, Shivamoga, Karnataka. 13th-15th March 2008

6. “*Biochemical Characterization of Phosphobacterium isolated from Lalbagh soils with special reference to Bacillus sps.*” Victoria Peter, **Omar Farooq**, Sabiha Sultana M., Presented at the National Conference, Indian Phytopathological Society, Southern Chapter & Mysore University. 28th & 29th November 2007.

MEMBER OF OTHER DOMAINS IN THE INSTITUTION:

1. Member – Cultural Activities
2. Member – Science Association

MEMBER OF OTHER DOMAINS OUTSIDE OF THE INSTITUTION:

- Chair Person, Board of Examiners, Microbiology, Bengaluru City University
- Member, Board of Examiners, Microbiology, Bangalore University, Bengaluru City University and Bengaluru North University
- Member, Board of Examiners, Microbiology, Indian Academy (Autonomous)
- Chief Examiner (Paper setter) for Bangalore University, Bengaluru City University and Bengaluru North University Examination in Microbiology.

ADDITIONAL QUALIFICATION:

- **Computer Proficiency Course**
Covering Windows, MS-Office Package & Internet from Aptech
- **Medical Transcription**
from Center for Medical Transcription Studies, Bangalore.
- **Diploma in Multimedia**
Covering Animation & Designing from Arena Multimedia, (Aptech)
