

EVENT ORGANISED REPORT

NAME OF CELL	Internal Quality assurance cell(IQAC)
NAME OF DEPARTEMNT	Institutional Activity
TITLE OF THE EVENT	One Day Educational workshop on Mushroom Cultivation & Biofertilizer
DATE OF EVENT ORGANISED	07 Feb 2022
NAME OF THE COORDINATOR OF EVENT	Mr. Omar Farooq
PARTICIPANTs	B.SC Students
NO. OF PARTICIPANT (STUDENTS+STAFF)	38
NAME OF THE EXPERT WITH DESIGNATION	Tissue Culture Laboratory Staff
OBJECTIVE OF THE EVENT	<ul style="list-style-type: none">To equip participants with hands-on training in mushroom cultivation techniques, from substrate preparation to harvesting, and biofertilizer production methods.
OUTCOME OF THE EVENT	<ul style="list-style-type: none">Participants will be motivated to adopt organic farming methods, reducing reliance on chemical fertilizers and promoting healthier soil and crop production systems.

MEMO

The **Bio Centre, Department of Horticulture, Government of Karnataka, Hulimavu**, is organizing a **One-Day Educational Workshop on Mushroom Cultivation & Biofertilizer Production**. This workshop aims to provide participants with practical knowledge and training in sustainable agricultural practices, including the cultivation of edible mushrooms and the production of biofertilizers for organic farming.

Workshop Details:

- **Date:** Monday, February 7, 2022
- **Time:** 10:00 AM to 4:00 PM
- **Venue:** Bio Centre, Department of Horticulture, Hulimavu, Bengaluru
- **Organized by:** Department of Horticulture, Government of Karnataka

Key Topics to be Covered:

1. **Introduction to Mushroom Cultivation:** Overview of different types of mushrooms, their benefits, and market potential.
2. **Mushroom Cultivation Techniques:** Hands-on training on substrate preparation, inoculation, and harvesting.
3. **Biofertilizer Production:** Understanding the role of biofertilizers in organic farming, and methods of production using agricultural waste.
4. **Sustainable Agriculture and Entrepreneurship:** Exploring the potential for entrepreneurship in mushroom farming and biofertilizer production, with case studies and guidance from experts.

We encourage everyone interested in organic farming and sustainability to attend this workshop and take advantage of this excellent learning opportunity.
